10. (Confidential - JMM) Bill Miller, in the office of Senator John Sherman Cooper, called to say the Senator had a letter for the Director to which an answer was desired by Tuesday morning, 22 July, and wanted us to pick it up. I suggested that the Senator (who lives in the next block from me) bring it home and I would pick it up this evening which was agreed.

I picked up the letter to the Director from Senator Cooper requesting information on Soviet Y-class submarine production. See Memo for Record.

1. (Unclassified - JGO) Received a call from Mr. Michael Schell, in the office of Representative Samuel Stratton (D., N.Y.), who inquired whether the CIA retirement system is the same as the Civil Service system and whether amendments to the Civil Service Retirement Act would affect the Agency's program. I explained some of the similarities and differences between the two systems and advised that amendments to the Civil Service Retirement Act would not affect the Agency's system unless specifically stated in the amending legislation. Mr. Schell was quite appreciative but did not advise the reason for his questions.

(Confidential - LLM) Reported to Jim Cline, Counsel, House 25X1 Immigration and Nationality Subcommittee, the outcome of my conversation with Representative Durward Hall (R., Mo.) on [REDACTED] 25X1C [REDACTED] Cline said that he did not like the principle but that we must recognize the practicalities involved and on that basis would not impose an objection if Dr. Hall was given directly a letter confirming

10. (Confidential - LLM) Met with Representative Durward Hall (R., Mo.) who had objected to

In the process Dr. Hall lectured me that intelligence was at an all-time low and was not in any way living up to its expectations. (It is assumed that this conclusion was related to his participation in the Pike Subcommittee on the Pueblo.) In the end Dr. Hall softened up somewhat and thanked me for stopping by to do my job.

I dropped by to see Jim Cline, Counsel, House Immigrations Subcommittee of the Judiciary Committee, to determine the Subcommittee's position with respect to Dr. Hall's request, but he was unavailable and I will touch base tomorrow.

11. (Internal Use Only - LLM) Mr. Jay Sourwine, Subcommittee on Internal Security staff, Senate Judiciary Committee, called and asked whether he could have duplicate copies of the material we had sent to him on the Moscow International Conference of Communists and Workers Parties of 5 to 17 June, explaining that they had inadvertently incorporated the material into Subcommittee files and it was beyond retrieval. I said we would be happy to comply if the material is still available.

12. (Confidential - RJK) Delivered to Mrs. Maybelle Woolbert, in the office of Representative Otis Pike (D., N.Y.), at her request an FBIS package entitled "North Korean Authoritative Statements."

13. (Confidential - RJK) Delivered to Mr. Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, two FBIS packages, a two-volume study entitled "North Korean Authoritative Statements," and texts of two KCNA broadcasts on the Pueblo.

2. (Unclassified - GLC) Mrs. Maybelle Woolbert, Administrative Assistant to Representative Otis Pike (R., N. Y.), called to try to locate some FBIS material on the Pueblo which had been made available to Representative Pike some time ago and had been returned to us. Mr. Pike was in a hearing and she was somewhat vague as to just what the Congressman wanted. An additional copy of the FBIS material previously sent to the Congressman was sent to Mrs. Woolbert by courier.

3. (Unclassified - GLC) Jay Sourwine, on the staff of the Senate Subcommittee on Internal Security, called to say that in his column, the Scott report which will be printed in tomorrow's newspaper, Paul Scott has indicated that Senator Jackson's timely warning on the Soviet leadership was based on confidential information provided him by the Agency. Sourwine said that he did not know whether this information was reliable but would like to have a copy of any material which we might have provided Senator Jackson in this area. I told Sourwine I would be back in touch with him on this.

4. (Confidential - GLC) Lloyd Salvetti, Administrative Assistant to Representative Hastings Keith (R., Mass.), called to say that some ex-CBS employees would be appearing before the House Commerce Committee this Thursday in executive session to talk about the "staging and attacks on Haiti and the participation of CBS in it." According to Salvetti's information, they also plan to talk about the role of the Agency. He said Mr. Keith would appreciate anything we could give him on this that might be helpful.
